

# Beastars Vol. 12: Paru Itagaki's Animalistic Masterpiece Explores Social Hierarchy and Identity

:

Beastars, a captivating manga series created by Paru Itagaki, has garnered immense popularity for its unique blend of anthropomorphic characters, complex social dynamics, and thought-provoking themes. Volume 12 of this acclaimed series continues the exploration of these elements, further delving into the complexities of social hierarchy, identity, and the search for meaning in a world divided by species.

## Art and Visuals:

Itagaki's artwork in Beastars Vol. 12 is as stunning as ever, employing a combination of detailed character designs and expressive facial expressions to convey the emotions and motivations of the characters. The manga's panels are meticulously crafted, balancing action and dialogue to create a dynamic and immersive reading experience.

The black-and-white art style enhances the emotional impact of the story, with the sharp contrasts accentuating the characters' struggles and the complexities of their relationships. The backgrounds are richly detailed, providing a vivid setting for the unfolding events.

### **Story and Characters:**

Beastars Vol. 12 continues the story of the complex relationship between Legoshi, a gray wolf, and Haru, a white rabbit. As Legoshi investigates the disappearance of Tem, a friend and fellow member of the drama club, he discovers a web of secrets and hidden desires within the school.

Itagaki delves into the themes of social hierarchy and prejudice by exploring the challenges faced by animals of different species. Through Legoshi's journey, she examines the complexities of identity, the struggle to overcome stereotypes, and the search for acceptance in a society plagued by division.

The supporting cast of characters is equally well-developed, with each animal representing a different facet of society. Louis, the red deer and former head of the drama club, grapples with his own sense of responsibility and the weight of expectations, while Juno, the wolf, struggles to find her place in a world that values strength above all else.

### **Themes and Symbolism:**

Beastars Vol. 12 is a rich tapestry of themes, exploring the complexities of social hierarchy, identity, and the search for meaning. Through the relationships between the characters, Itagaki delves into the universal themes of prejudice, acceptance, and the struggle to overcome our primal instincts.

The use of animal characters as a metaphor for society adds a unique layer of symbolism to the story. Carnivores and herbivores represent different social groups, and their interactions reflect the prejudices and conflicts that exist in the real world.

The drama club serves as a microcosm of society, with each member representing a different species and social status. Through their interactions, Itagaki explores the dynamics of power, authority, and the desire for acceptance.

:

Beastars Vol. 12 is a powerful and thought-provoking addition to this acclaimed manga series. Paru Itagaki's masterful storytelling, stunning artwork, and exploration of complex themes make this volume a must-read for fans of manga, social commentary, and the search for meaning in a divided world.

With its compelling characters, engaging storyline, and profound themes, Beastars Vol. 12 deserves a place on the shelves of any discerning manga enthusiast or anyone interested in the human condition.
