Man-Thing was a popular horror comic book series published by Marvel Comics from 1979 to 1981. The series featured the adventures of a biochemist who is transformed into a swamp monster after being exposed to a mysterious chemical spill. The series was written and drawn by Steve Gerber and was known for its lush artwork and dark, atmospheric storytelling.

The Man-Thing was created by Gerber in 1971 as a supporting character in the comic book series "Adventure into Fear." The character quickly became popular with readers and was given his own series in 1979. The series ran for 22 issues and was canceled in 1981.

The Man-Thing is a tragic figure. He is a man who has been transformed into a monster and is now feared and hated by the world. He is a lonely creature who longs for acceptance but is always rejected. The series explores the themes of isolation, loneliness, and the fear of the unknown.

Gerber's writing on Man-Thing is some of the best work of his career. He creates a rich and complex character who is both sympathetic and terrifying. The artwork by Starks is equally impressive. He creates a lush and atmospheric world that is both beautiful and horrifying.

Man-Thing is a lost Marvel masterpiece. It is a dark and atmospheric horror comic that is both thought-provoking and entertaining. The series is a must-read for fans of horror comics and Marvel Comics in general.

### **The Man-Thing in Other Media**

The Man-Thing has appeared in a number of other media, including:

- A live-action television movie in 1979
- A direct-to-video movie in 2005
- A video game in 1991
- A novel in 1979

The Man-Thing has also been featured in a number of Marvel Comics crossovers, including "Secret Wars" and "Civil War." The character remains a popular and enduring figure in the Marvel Universe.

### **The Starks Brothers**

The Starks brothers, John and George, were a pair of comic book artists who worked on Man-Thing from 1979 to 1981. The brothers were known for their lush and atmospheric artwork, which helped to define the look of the series. The Starks brothers also worked on a number of other Marvel Comics titles, including "The Incredible Hulk" and "Doctor Strange."

John Starks died in 2018, but George Starks continues to work as a comic book artist. He has recently worked on a number of projects for Marvel Comics, including "The Immortal Hulk" and "Venom."

## Legacy of Man-Thing

Man-Thing is a unique and memorable character who has left a lasting legacy in the world of comics. The series is a classic example of the horror genre and is still enjoyed by fans today. The character has also been adapted into a number of other media, including film, television, and video games.

Man-Thing is a testament to the creativity of Steve Gerber and the Starks brothers. The series is a masterpiece of the horror genre and is a must-read for fans of Marvel Comics.
