Now, a sequel to Beyond Your Control is in the works. The new film, titled In His Grace, will follow the lives of the same four young adults five years after the events of the first film. The film will explore the challenges they have faced in their recovery, the progress they have made, and the hope they have found in their faith.

The cast of In His Grace includes some of the same actors from the first film, including Jake Weary, Emily Bett Rickards, and Tristan Wilds. The film

is being directed by David Henrie, who also directed Beyond Your Control.

In His Grace is scheduled to be released in 2023. The film is being produced by In His Grace Project, a non-profit organization that provides support and resources to people struggling with mental illness and addiction.

The Importance of This Film

Mental illness and addiction are two of the most pressing issues facing our society today. These issues affect millions of people, and they can have a devastating impact on their lives and the lives of their loved ones.

The film In His Grace is an important film because it sheds light on these issues and offers hope to those who are struggling. The film shows that recovery is possible, and that there is hope for a better future.

This film is also important because it helps to break down the stigma surrounding mental illness and addiction. These issues are often misunderstood and stigmatized, which can make it difficult for people to get the help they need.

The film In His Grace is a powerful film that has the potential to change lives. The film is a testament to the power of hope and recovery, and it is a film that everyone should see.

How You Can Help

You can help support the production of In His Grace by donating to In His Grace Project. In His Grace Project is a non-profit organization that

provides support and resources to people struggling with mental illness and addiction.

You can also help by spreading the word about the film. Tell your friends and family about the film, and share the film's trailer on social media.

The film In His Grace is a powerful film that has the potential to change lives. You can help make this film a reality by donating to In His Grace Project and by spreading the word about the film.
