Simply Stations Partner Reading is a structured program that provides students with explicit instruction and practice in all aspects of reading, including:

* Phonemic awareness * Phonics * Fluency * Comprehension * Vocabulary

The program is designed to be used in small groups of 3-4 students, with each group working at a different station. Each station is designed to focus

on a specific reading skill, and students rotate through the stations on a regular basis.

Benefits of Simply Stations Partner Reading

Simply Stations Partner Reading has been shown to be an effective method of improving the literacy skills of struggling readers. Studies have shown that the program can help students to:

* Improve their fluency by 20% * Increase their comprehension by 15% *
Expand their vocabulary by 10%

In addition to these academic benefits, Simply Stations Partner Reading can also help students to develop social skills, such as cooperation and communication. The program provides students with the opportunity to work with peers in a supportive environment, and it helps them to learn how to take turns, share ideas, and work together to achieve a common goal.

How to Implement Simply Stations Partner Reading

Simply Stations Partner Reading is a flexible program that can be implemented in a variety of ways. The program can be used in whole-group instruction, small-group instruction, or one-on-one instruction. The program can also be used as a supplement to existing reading instruction or as a stand-alone intervention program.

To implement Simply Stations Partner Reading, you will need the following materials:

* A set of Simply Stations Partner Reading materials * A timer * A whiteboard or chart paper * Markers or pens

To set up the program, follow these steps:

1. Divide students into small groups of 3-4 students. 2. Assign each group to a different station. 3. Set a timer for 10-15 minutes. 4. Have students rotate through the stations, spending 10-15 minutes at each station. 5. During each station, students will work together to complete a specific reading activity. 6. After each station, students will discuss what they learned and answer comprehension questions.
