Dea Loher's *The Passage of Galloway* is a powerful and haunting play that delves into the complexities of memory, loss, and the fragility of life. The play follows the journey of Galloway, a young woman who has lost her memories and is struggling to piece together her past. As she navigates the treacherous waters of her fragmented memories, Galloway encounters a cast of enigmatic characters who challenge her understanding of identity and the nature of reality.

The play opens with Galloway sitting alone on a park bench, her head in her hands. She is lost and confused, unsure of who she is or where she belongs. As she tries to piece together her memories, she encounters a mysterious stranger named Man. Man claims to know Galloway's past, but his stories are fragmented and unreliable. Galloway is drawn to Man's enigmatic presence, but she is also wary of his motives.

As Galloway delves deeper into her past, she encounters other characters who challenge her understanding of reality. There is Woman, a former lover who claims to have known Galloway before she lost her memories. There is Boy, a young man who claims to be Galloway's son. And there is Doctor, a psychiatrist who tries to help Galloway make sense of her fragmented memories.

Through its evocative language and dreamlike imagery, *The Passage of Galloway* explores the profound impact of loss and the transformative power of memory. The play asks questions about the nature of identity and

the fragility of life. It is a haunting and moving work that will stay with you long after the final curtain falls.
